Volunteer Work Hours

All hockey families are required to work a total of 45 hours throughout the year – 20 hours fundraising, 15 hours concessions, 10 hours building/maintenance. Unworked hours will be billed at the following rate 1-5 hours - \$15/hr, > 5 hours - \$30/hr.

Fundraising Opportunities

- **Salt Sales:** The High school girls and boys teams are selling water softener salt. Please contact Vicki Steensma at 283-2302 if you are interested.
- **Butter braid order forms** are due December 1. For every 6 butter braids sold you receive 1 hour of fundraising. Delivery date is December 11.
- **Raffle Tickets** will be available soon. Each family will receive 1 book of 10 tickets to be sold at \$10 each. Additional books of tickets will be available to be sold. Each book sold will earn one hour of fundraising.
- **Admissions for high school games:** If you are interested in doing admissions for a game, please contact Mary Christensen at MaryChristensen@ffmbank.com.
- **Bantam, Squirt and PeeWee tournament admissions:** Watch for signup sheets to be posted at the arena. Bantam tournament will be January 9-11, Squirt tournament January 23-25, PeeWee tournament February 6-8. We will also be needing workers for the PeeWee B District Tournament that we are hosting the weekend of February 20th.

**Next Hockey Board Meeting:
December 1, 7:30PM @ BMIA**

Open Board Position

After many years for great service Jay Sommers has decided to step down as Registration Director at the end of the season. If you are interested in the position or have any questions on what this job entails, please contact any board member.

Building and Maintenance Hours

These hours include coaching, parent rep, penalty box, timekeeper and scorekeeping. Additional hours may be available for helping with other projects such as flooding the outdoor rink and arena cleanup day. Watch for email announcements.

Broken Hockey sticks needed!

If you have any broken WOOD hockey sticks lying around your garage, please get them to Loel Olson. He will use them to make frames for pictures of our hockey teams to be hung up at the arena. Only wooden sticks can be used.

Can't remember how many hours you worked?

- The hours each family works will be recorded on the website and in a binder that will be kept in the concession stand when it is not being used by those recording hours. Parent reps for each team are responsible to send building and maintenance hours worked Chantel Connell to be recorded. Fundraising hours worked are recorded by the chairperson for each activity to Carrie VanSanten. Concession hours are recorded by concessions director Jennifer Tofteland. Please be patient! There are several steps to the process to get hours recorded. If you work a game on a weekend, it may take several days for the hours to be turned in and posted. If you have questions about the number of hours recorded, please speak to one of the board members listed above.

Picture night

Picture night will be on December 11. Please watch your email for date and times. All players are expected to be dressed and ready on time so that we can stay on schedule.
