New & Improved, so we're giving this fundraiser another try. A Schwan's rep will be at the arena Feb 6th (Kick-off date) to answer questions, explain changes & distribute order materials. The Luverne Hockey Club Board feels this unique fundraiser has great potential and is worthy of giving a second try. Prize incentives will be awarded to the top (2) sales individuals.

WANTED: RECIPES - New Cookbook

We are in the process of collecting recipes for a new cookbook. Recipes can be submitted via the web site or a drop box at the arena. Participation is a must, so please submit as many recipes as you want. Deadline to submit recipes will be March 25th; information will be compiled and published over the summer months and will be ready to sell by our next hockey season. The last cookbook was a HUGE fundraiser for the club, so help us with collecting recipes! Ask your friends, family, co-workers and yes, even cousin Billy Bob for their favorite recipes!

RAFFLE Fundraiser

Sold tickets can be dropped off at Connell Car Care, or with Tom Sterrett and/or Carrie Van Santen. Additional tickets are available if you need more; 1 book of tickets is equivalent to 1 hour of fundraising.

Web Posting of Volunteer Hours

Members have had the benefit of viewing the status of their work hours on line. Please be aware that this is a new process for everyone and that we are always trying to find ways to streamline and report all work hours as fast and acutely as we can. We encourage all members to keep track of your hours worked and to please be patient in reporting any inaccuracies viewed on the web site log. With practice and patience, this will become a more beneficial tool for our members.

HEP Parent's Code of Conduct Adopted from USA Hockey Code of Conduct

It is expected that all Minnesota Youth Hockey parents observe the following principles:

Children are involved in organized sports for *their* enjoyment. I will encourage and support my child's desire to play his/her chosen sport but will not pressure him/her into participating.

I will remember that the game is fun. I will not taunt or disturb other fans, or embarrass my child by yelling at players, coaches, or officials.

I will support and promote Fair Play by encouraging my child to play by the rules. I will display good sportsmanship by applauding a good effort by both teams in victory and defeat, and respecting players, coaches, and officials.

I will remember that "wins" are based on my child's performance, teamwork, and playing within the rules.

I will recognize the importance of volunteer coaches and will take the time to attend team meetings to get to know my child's coach's philosophy, expectations, and guidelines. I will communicate with my child's coaches and support them.

I understand that when my child is on the ice, the coaches do the coaching. I will not yell instructions to my child from the sidelines or give my child instructions counter to those of the coach.

I understand that it is my role to teach my child sportsmanship, how to deal with success and failure, and to support my child's development in the game.

I will strive to become knowledgeable about the rules of the game and support the official's decisions on and off the ice.

I understand the importance of skill development. For the lower age groups, I will remember that practices benefit my child more than games and competition.

I will respect locker rooms as private areas for players, coaches, and officials.

I will not place unreasonable expectations on my child.

I have read and understood the principles stated above that were put forth by Minnesota Hockey. I agree to abide by those principles with the understanding that if I do not follow them I may be asked to leave any practice, game, or event or may forfeit out team's Fair Play point.
