**CONSESSION HOURS SCHEDULING**

Please be aware of the following procedures:

- When signing up for work hours, use your complete name (i.e. first & last name)
- If you have signed up to work and have a conflict, **please find a replacement if you can't fulfill the commitment**; many hours are left open due to individuals signing up in advance and canceling at the last minute.
- Check the schedule often; arena events/games are still being scheduled or cancelled. The event schedule is posted on the web site, but when in doubt, call the arena.
- The concession hour schedule is posted on the web site, however, this is only to view the schedule. Sign up is done at the arena.
- **No hours are pre-scheduled**; in the event the sign sheet is not posted at the arena, Dawn is putting it in a legible format (typed)
- The Blue Mound Ice Arena has a jam-packed schedule for the 2005-06 season; therefore, there are and will be plenty of hours to work throughout the season- remember to check the schedule often!

The Luverne Hockey Club and BMIA request that everyone please be considerate in following these procedures to help make the concession stand the best that it can be.

**Volunteering makes our program a success 😊**

**SW League District IV Rep**

Todd Frankenhoff has been appointed by the Luverne Hockey Club Board to fill the remaining term of Terry Schneekloth until 2008. It was with regret that we had to accept Terry's resignation and want to thank him for his many years of service to the Luverne Hockey Club. Congratulations Todd and thank you for accepting the appointment.
